- Barney Song

Barney is a dinosaur

From our imagination

And when his tall is what we call a dinosaur sensation

Barney friends are big and small they come from lots of places

After school they meet to play and sing with happy faces

Barney shows us lots of things like how to play pretend

ABC and 123 and how to be your friend

Barney comes to play with us

Whenever we may need him

Barney can be your friend to

If you just make believe him

Aeroplane Song

Oh we are flying in an aeroplane

Looking out the window

Watching the clouds go by

Oh we are flying in an aeroplane

Looking out the window

Up so very high!
